

# design manual

How would you analyse the design concept and explore it in your discipline ?

one of the concepts  
in X-0010 series

**one  
design product**

Can you use the design composition ?

Think how creatively you could utilize in your discipline.

Analyse its design essence and decode it.

Explore the materials used in it.

How would you examine and use it as knowledge tool ?

Does it push you towards an unknown ?

THE **AQUA** DESIGN **LAB** - CONCEPTS

one of the concepts  
in X-0010 series

**decode ?**

Can you decode it  
and explore it  
in your discipline.

Its only based on the  
perception of the design  
you could translate it.

Can you find the clue ?

Experiment with it.

Each individual will have  
alternative approach  
towards vision and  
application of it.

There is a hiddden secret visible to  
the seeker.
